Red Bull's 2022 Dominance:
Key Design Decisions

How ground effects cars in the
1970s have shaped the sport

Since the cover page of a magazine is often the first thing that catches the reader's eye and sets the tone for the entire publication. The design decisions are made to entice potential readers to pick up the magazine and start reading. Therefore, the design of the cover page is slightly unconventional. The logo placement is vertical and is white in color. The magazine is predominantly black and/or dark colors which made me design a logo that would contrast with the surrounding elements. The imagery is chosen in a way to tease the potential readers. The cover lines on the cover page are all features. The image on the cover page reflects the main feature story out of all the mentioned features.
